> Dismissal of Petition/Grant of Six Month Extension

Dear Mr. Bazemore:

By this letter, we are advising you of the current status of your above-referenced petition for exemption from the Federal Communications Commission's (FCC's) closed captioning rules. On March 28, 2014, the Consumer and Governmental Affairs Bureau (the Bureau) advised you by letter that, absent further action on your part by April 28, 2014, your petition would be dismissed.

We received a telephone call from you on April 24, 2014, in which you notified us that you would be able to caption your channel's older vault of program within six months, and thereby make all your television programs on AFTV fully captioned. For this reason, you stated that you would no longer need to pursue the closed captioning exemption petition, but asked for a six month extension from our captioning rules in order to come into full compliance. You repeated this request in an email of April 29, 2014.

Based on your commitment to comply fully with our captioning rules by captioning your channel's entire archival vault of programs within six months, your request to extend the pendency of your petition has been granted. During the pendency of your petition, your program will remain exempt from compliance with the FCC's closed captioning rules. Per your request, your petition will be dismissed without prejudice on November 3, 2014. At that time, you will be responsible for full compliance with the closed captioning requirements contained in Part 79 of the FCC rules.

If you have questions pertaining to this letter, please contact the FCC's Disability Rights Office at captioningexemption@fcc.gov.
